

"Ideas, partnership and employees – that is the secret to our success!"

Udo Knabe-Paulsen - Managing Director DVSE

Get to know DVSE RO!

COMPANY

Our **Romanian company DVSE RO** is part of the TOPMOTIVE group, **Europe's market leader** in catalogs, information and ERP systems for the automotive independent aftermarket, since its foundation in 2008.

Together with our German partners, we develop complex software solutions for whole salers and manufacturers of vehicle parts as well as repair shops. Under the TOPMOTIVE umbrella brand, we are able to work on our own independent products and act creative and innovative

Are you ready to join our exciting and active team?

With us, you will have the opportunity to work in a friendly environment with professional colleagues, embrace the know-how, develop, create and innovate and last but not least, be part of software projects for the automotive market.
