TOPMOTIVE

TM POWER
IT expertise plus passion for new technologies plus togetherness makes TOPMOTIVE.

// Get to know TOPMOTIVE

COMPANY

The **TOPMOTIVE Group** is Europe's market leader in catalog, information and ERP systems for the automotive independent aftermarket.

Our Romanian subsidiary is part of the **TOPMOTIVE Group** since its foundation in 2008. Together with our German partners, we develop **complex software solutions** for wholesalers and manufacturers of vehicle parts as well as repair shops. Under the TOPMOTIVE umbrella brand, we are able to work on our own **independent products** and to act **creative and innovative.**

The **high quality** of our products are based on 30 years of experience in the market, **300+ specialists** as our employees in 9 locations all over Europe and are used by **500+ customers** all over the world.

Are you ready to join our exciting and active team?

With us, you will have the opportunity to work in a **friendly environment** with **professional colleagues**, embrace the know-how, develop, create and innovate and last but not least, be part of software projects for the automotive market.
